**RE: KANSAI PLASCON RECOMMENDED COATINGS SYSTEM FOR MAGNESIUM OXIDE
BOARDS (MgO Boards) FOR THE UNI-BOARD BRAND .**

This letter serves to inform our customers that the following Kansai Plascon (KP) products (primer and top coats) have been evaluated and found suitable for application onto the Uni-Board brand of MgO boards:

We therefore recommend the following system:

- Primer
 - Water based Gypsum & Masonry Sealer (PGS 1)
- Top coats
 - All Kansai Plascon decorative water based topcoats
 - All Kansai Plascon decorative solvent based topcoats

Please visit our website, www.plascon.co.za to locate your nearest stockist.
